

Making 2019 Better Together

MESSAGE FROM PRESIDENT/CEO RYAN BARTLETT

A BRAND-NEW YEAR IS UPON US, AND JUST as many of our members might, we at Taylor Electric Cooperative have a few resolutions. In our ongoing quest to provide reliable electric service and responsive and timely customer service, we'd like to redouble our efforts to solicit feedback from our membership. Your comments, questions and concerns are always welcome and often serve as a springboard for new and better services. If we don't get a sense from those we serve of what we're doing right and which areas need improvement, we're neglecting an important tool for positive change.

Another goal we continually work toward is securing sustainable power agreements at competitive rates for the long-term value of Taylor EC's membership. By keeping an eye on the power market's horizon and emerging sources like renewables, we can negotiate the best rates and ensure that our members always have access to safe and reliable power.

We resolve this year to uphold this commitment as staunchly as ever.

Finally, we expect to maintain our involvement in community outreach efforts and projects. These contributions, whether through Operation Round Up, Special Olympics, food drives or donations to local fire departments, get to the core of who we are and articulate our enduring Concern for Community. We resolve to keep doing our part to uplift our community across a broad spectrum of charitable endeavors.

As a complement to our resolutions, here are a few we'd

like to propose to you to get the most out of your co-op membership.

Make a point of attending Taylor EC's annual meeting. There simply is no better, more direct or immediate method for making your voice heard: You can vote in important elections to determine your cooperative's leadership, pose questions to your general manager, air concerns and maybe even win a prize! In conjunction with time spent gathering with fellow co-op members, it adds up to a worthwhile investment of a few hours each year.

Another resolution to consider is evaluating your personal stewardship of electricity. We all can find small or large ways to conserve more energy, increase efficiency and simply waste less. In the market for a new appliance this year? Buy one that is Energy Star-rated. Or make this the year when you commit to weatherizing your house to seal leaks and gaps where air gets through. A fresh start always provides a meaningful opportunity to take stock of our surroundings and goals and make changes accordingly.

One last resolution to set, in concert with your cooperative, is renewing your commitment to serve our community. Whether by opting in to Operation Round Up if you don't already participate, volunteering individually or donating to whatever organization strikes a chord with you, this is perhaps the most rewarding and beneficial resolution of all.

With thoughtful attention to these resolutions, together we can make this year one of our best yet.

Happy New Year

SAVE THE DATE!

TAYLOR EC ANNUAL MEETING

Thursday, April 18
Abilene Convention Center

MAIL-IN BALLOT NOTICE

Members who cannot attend Taylor Electric Cooperative's annual meeting April 18 can cast their ballots through the mail. Each cooperative member is entitled to one vote. Absentee ballots are available upon request from the cooperative. Call (325) 793-8500 to have a ballot sent to your home or business. You will receive a prepaid envelope for the ballot return. Absentee ballots must be postmarked by 5 p.m., April 12 to Taylor EC headquarters and will be deposited into a secure ballot box, which will be opened by election administrators.

CALENDAR: TAPHOUSE STUDIOS | ISTOCK.COM

Power Tip close the doors to your home and refrigerator quickly. Your heating system won't have to work as hard to maintain a constant temperature, and your appliances will use less energy to do their jobs.

Nominating Committee To Meet February 19

Candidate applications due February 5 at 5 p.m.

TAYLOR ELECTRIC COOPERATIVE'S NOMINATING COMMITTEE WILL MEET February 19 to elect candidates for the 2019 board of directors ballot.

Committee members, who each represent a respective zone within Taylor EC's service territory, will screen and interview applicants to be placed on the ballot. Voting for the director seats will take place at the 79th annual meeting.

If you or someone you know is interested in running for a seat on the board of directors, an eligibility checklist can be found below, and the application begins on the adjacent page. Additional copies are available at Taylor EC's headquarters.

Applications are due by 5 p.m., February 5. Completed applications can be mailed or faxed to Taylor EC headquarters:

Taylor Electric Cooperative, Attn: Nominating Committee
P.O. Box 250, Merkel, TX 79536
Fax: (325) 793-9680

Nominating Committee Members

Zone 1—Taylor County
 Craig Bessent, Chairman, (325) 692-5937
 Colleen Richards, (325) 692-7122

Zone 2—Callahan, Jones, Eastland, Shackelford counties
 Melvin Bachhofer, (325) 537-2736
 Tom Edd Johnson, (806) 928-8872
 Dee Vinson, (325) 537-9323

Zone 3—Coke, Fisher, Nolan counties
 Terry Locklar, (325) 320-6349
 Jesse Mulanax, (325) 235-4278
 Mary Ussery, (325) 798-3645

How To Serve as a Taylor EC Director

Requirements To Serve as a Director:

- ▶ Be a Taylor Electric Cooperative member in good standing for five years.
- ▶ Have no criminal history.

Process To Serve as a Director:

- ▶ Must complete and return application by February 5 (can be found on Page 21 and requested anytime at Taylor EC's headquarters).
- ▶ The Nominating Committee meets February 19, when it will interview candidates.
- ▶ Directors elected at the 79th annual meeting April 18.

Duties of a Director:

- ▶ Review and approve work plans and budgets.
- ▶ Review the annual financial audit and management letter.
- ▶ Approve all applications for cooperative membership.
- ▶ Select and appoint legal counsel.
- ▶ Select and appoint auditors.
- ▶ Ensure an adequate and reliable supply of power for the members.
- ▶ Review and approve major contracts,

such as wholesale power contracts, loan agreements and construction contracts.

- ▶ Hire and supervise the president/CEO, who hires cooperative staff.
- ▶ Comply with all board policies and bylaws, including attendance at cooperative meetings, training and certifications.
- ▶ Conduct membership meetings.
- ▶ Authorize the construction of major facilities necessary for the efficient operations of the cooperative.
- ▶ Protect the cooperative's assets through review, approval and procurement of appropriate insurance coverage and adhere to all regulatory requirements on local, state and federal levels.
- ▶ Review and approve cooperative strategies, ideas and objectives for future membership needs.

Directors must expect to spend at least 16–20 days a year conducting cooperative business. This time includes regular board meetings and additional workshops or conventions associated

with state or national affiliations. Directors must also expect and plan for extended overnight travel each year.

Local board policy requires directors to secure certification through the National Rural Electric Cooperative Association. These courses train directors in the fundamentals of the power industry and explain all personal liabilities associated with the position.

Taylor EC directors receive no salary for their work on behalf of the cooperative. They may receive a per diem and mileage payments for their time and service. No other benefits are provided.

The directors have made extensive efforts to reduce expenses for out-of-state travel.

In recent years, the directors have voted to eliminate the payment of expenses for spouses to travel and voted to eliminate health insurance for directors.

For the protection of the cooperative, all nominees are subject to personal and financial background checks.

Please note that Taylor Electric Cooperative bylaws provide the guidelines for director candidate eligibility. A “Yes” answer to any question 1–5 may indicate a conflict of interest. If you answer “Yes” to any question 1–5 below, please explain below:

- Are you currently holding an elected public office for which compensation is paid? YES NO
- If your membership account is currently held jointly by husband and wife, is your spouse currently a director? YES NO
- Have you or a close relative (spouse, brother, sister, son, daughter, mother or father, including any of the above by marriage) been employed by or received compensation for serving the cooperative in the past year? YES NO
- In the past year, have you been employed by or had a financial interest in an entity that competes with the cooperative or poses a conflict of interest; or, have you been employed by or shared a material financial interest with another director? YES NO
- Does your employer or business sell products or services to the cooperative? YES NO
- Do you attend the cooperative’s annual meeting each year and vote in director elections? YES NO
- Do you have any experience on other boards or committees such as assemblies, councils, school boards, hospitals, churches, etc., that you think should be considered among your qualifications? If so, please list below.

Debunking Energy Myths

INTERESTED IN SAVING ENERGY TO LOWER YOUR ELECTRIC BILL but confused about new technology and information available to help you do so? Separate fact from fiction with the following energy-saving myths.

Myth: It takes less energy to have my thermostat maintain a comfortable temperature while I'm away than it does to have it heat up or cool down my house when I get home.

Reality: If you're going to be gone for more than a few hours, then it is more cost-effective to turn heat or air conditioning off when you leave and back on once you return than it is to maintain a comfortable temperature while you're out. And your home won't heat or cool any faster if you put the thermostat on an extreme temperature.

Myth: I can save money simply by installing a programmable thermostat.

Reality: On their own, programmable thermostats do not make your heating or cooling system more efficient. Their money-saving value lies in their ability to automatically regulate the temperature inside your house to coincide with your

family's activities. For that to happen, you first must program it. If you need help programming your thermostat, check the manufacturer's website.

Myth: When I turn off electronics (like my TV, game console or computer), they stop drawing power from the outlet.

Reality: Even when turned off, most electronics consume electricity while they're still plugged in. Chargers for mobile devices (such as cellphones) also consume electricity when plugged in, even when they are not actively charging the device. This wasted energy, called "phantom load," accounts for as much as 10 percent of a home's total electric use.

Myth: It is not worth my time or money to seal small air leaks around windows and doors, or to make sure my home is adequately insulated.

Reality: According to the Environmental Protection Agency, air leaks around cracks and gaps throughout your home equate to leaving a window open all year long. Typical homeowners can save up to 10 percent on their total annual energy spending by sealing and insulating their home.

Taylor EC Bylaws Excerpts

ARTICLE 4—BOARD OF DIRECTORS

Section 4.1 Board of Directors. The business and affairs of the Cooperative shall be managed by a Board of nine (9) Directors which shall exercise all of the powers of the Cooperative conferred upon or reserved to the members. In a process developed by the Board, the number of Directors shall be reduced to seven (7) over an eight (8) year period in order to reflect governance in line with similarly-situated Cooperatives and to utilize the long-term cost savings of having fewer Directors. The Board shall have full power and authority to exercise all of the general powers as stated in the Texas Utilities Code, including, but not limited to, the following: Said Board may perform any other acts for the Cooperative or its members or for another electric Cooperative or its members, and exercise any other power that may be necessary, convenient or appropriate to accomplish the purpose for which the Cooperative is organized, including other or additional purposes benefitting members and non-members whether directly or through affiliates. The Board shall further have full power and authority to create and organize for profit and/or non-profit, subsidiary corporations, which shall be owned by the Cooperative.

Section 4.2 Director Zones. The service area of the Cooperative is divided into three (3) Zones for the purpose of election of Directors. The Zones are as follows: Zone 1—part of Taylor County from south of IH-20 to the Callahan County line and the Coleman County line and the Runnels County line; from the boundary line to the west of Taylor County that begins on IH-20 going south on Taylor County road 385 until it turns into Farm to Market road 126; still traveling south on Farm to Market road 126 until it becomes Taylor County road 389 while still traveling south in Taylor County until Taylor County road 389 runs into Taylor County road 355; turn right (to the West) on Taylor County road 355 until it runs into Farm to Market road 126; continue south on Farm to Market road 126 until it reaches Taylor County road 350; travel south on Taylor County road 350 until it runs into Taylor County road 351 where you will continue south on Taylor County road 351 until you reach Farm to Market road 89; from Farm to Market road 89 traveling south to east you will reach State Highway 277; travel south on State Highway 277 until it reaches the Nolan County line or leaves Taylor County; Zone 2—Callahan, Eastland, Jones, Shackelford, Coleman Counties and part of Taylor County using IH-20 as the southern boundary; Callahan County line as the eastern boundary and Taylor County road 412/Wells Lane from IH-20 traveling north until it curves into Taylor County road 410 traveling north until it curves into Taylor County road 414 traveling north until you reach the Jones County line; and Zone 3—Coke, Fisher, Runnels, Mitchell, Nolan Counties and part of Taylor County that is north of IH-20 and not in Zone 2 or Zone 1. And part of Taylor County that is west of the boundary established as the western boundary in Zone 1. The zone boundaries are established to address parity of membership numbers in each zone while keeping communities of interest together in each zone. The entire membership of the Cooperative shall be eligible to vote in the election of Directors from all three Zones. At each Annual Meeting of the members, Directors shall be elected by ballot, by and from the members, to serve until their successor shall have been elected and shall have qualified, subject to the provisions of these Bylaws with respect to the removal of Directors.

The Board of Directors for the cooperative shall consist of two (2) Directors from each Zone and one (1) at-large Director who may be from any Zone. Directors shall be elected at each Annual Meeting of the membership to serve for a three (3) year term. No more than one (1) Director from each Zone can be up for election in any one year; however, the at-large Director may come up for election in the same year as any other Director.

Periodically the Board may review the Director Districts to ensure that the Director Districts equitably represent the Members

while keeping communities of interest together in each zone.

Section 4.3 Director Qualifications. A Director or Director candidate must comply with this Bylaw.

(a) General Director Qualifications. To become and remain a Director, a Person must comply with the following general qualifications:

(1) be an individual;
 (2) have the capacity to enter legally binding contracts;
 (3) not have been previously removed or disqualified as a Director;
 (4) while a Director, and during the five (5) years immediately before becoming a Director, not be convicted of, or plead guilty to, a felony or two (2) misdemeanors; or found guilty of any offense involving moral turpitude;

(5) except as otherwise provided by the Board for good cause, receive a credentialed Cooperative Director designation, Directors certificate, or similar designation or certification from the National Rural Electric Cooperative Association within three (3) years of becoming a Director;

(6) before becoming a Director, graduate from high school or earn an equivalent degree or certification;

(7) except as otherwise provided by the Board for good cause, attend at least two-thirds (2/3) of all Board Meetings during each twelve (12) month period;

(8) comply with any other reasonable qualifications determined by the Board; and

(9) maintain the confidentiality of Cooperative business discussed by the Board. Confidential Cooperative business includes: all undisclosed matters covered or discussed in executive session of the Board; as well as all confidential information and business plans and trade secrets; private directors, employee or member information; potential or pending acquisition of real or personal property of the Cooperative; operational plans and business promotions; power supply and generation interests; and all power distribution plans; until the Board has collectively agreed to the terms and timing for public disclosure of such information.

(b) Membership Director Qualifications. To become and remain a Director, an individual must comply with the following membership qualifications:

(1) Natural Person Member
 A natural person Member, while a Director and during the ten (10) years immediately before becoming a Director:

(A) be an unsuspended Member; and
 (B) permanently reside or use electric energy provided by the Cooperative, at the individual's principal residence as defined under federal tax law within either the Cooperative Service area, or the Director Zone from which the Director is nominated or elected.

(c) Independent Director Qualifications. To become and remain a Director, an individual must comply with the following independence qualifications:

(1) annually complete and sign an independence certification and disclosure form approved by the Board;
 (2) while a Director and during the eight (8) years immediately before becoming a Director, not be an employee of the Cooperative or an employee of an entity controlled by the Cooperative or in which the Cooperative owns a majority interest;

(3) while a Director and during the three (3) years immediately before becoming a Director, not be an employee of an entity in which the Cooperative is a Member or owner;

(4) while a Director, not be a close relative of a Cooperative official, Director or Cooperative employee;

(5) while a Director, not be employed by another Director, or be employed by, or receive more than ten percent (10%) of Annual gross income from, an entity for which another Director controls, owns more than ten percent (10%), or is a Director or Officer; and

(6) while a Director and during the one (1) year immediately before becoming a Director, not be employed by, control, own more than ten percent (10%) of, serve as a Director or Officer of, or receive more than ten percent (10%) of Annual gross income from an entity that:

(A) advances the entity's pecuniary interest by competing with the Cooperative or a Cooperative subsidiary or Cooperative affiliate, providing a good or service similar to a good or service provided by the Cooperative or a Cooperative subsidiary or a Cooperative affiliate providing electric energy or a good or service related to providing electric energy.

(7) while a Director, not engage in any behavior, actions or activities that (i) subject either the Director or the Cooperative to ridicule or embarrassment; (ii) adversely affect the Directors or the Cooperatives reputation; (iii) interfere with or diminish the Directors standing as a Cooperative ambassador and representative; or (iv) are contrary to the best interests of the Cooperative and its employees.

(d) Director Disqualification. After being elected, designated, or appointed, if a Director does not comply with all general Director Qualifications, Membership Director Qualifications, and Independent Director Qualifications (collectively, Director Qualifications) existing when the Director was elected, designated, or appointed, then, except as otherwise provided by the Board for good cause, the Board shall disqualify the Director and the individual is no longer a Director if:

(1) the Board notifies the Director in writing of the basis for, and provides the Director an opportunity to comment regarding, the Board's proposed disqualification; and

(2) within twenty (20) days after the Board notifies the Director of the proposed disqualification, the Director neither complies with nor meets the Director qualification.

If a majority of Directors authorized by these Bylaws complies with the Director qualifications and approves a Board action, then the failure of a Director to comply with the Director qualifications does not affect the Board action.

Section 4.4 Director Nominations. For each Director position scheduled for election by Members at a meeting, the nominating members or Members shall nominate individuals as provided in this Bylaw.

(a) Nominating Committee Nominations. At least forty-five (45) days before the meeting at which members are scheduled to elect Directors, the N&E Committee, as formed under Section 3.8, shall meet for the purpose of considering candidates to be nominated for Director. The Cooperative's Board Attorney shall attend the Nominating Committee meetings and provide counsel to the Nominating Committee. The committee shall—

(1) nominate at least one (1) individual to run for election for each Director position scheduled for election by Members at the meeting; and

(2) display the Nominating Committee nominations at the Cooperatives principal office.

Nominating Committee members and three (3) generations of their immediate family shall not be eligible for nomination for a Director position while said appointee serves on the Nominating Committee. In cases where there is no incumbent Director seeking reelection, the open seat on the Board shall have at least two nominees on the ballot at the Annual Meeting.

(b) Member Petition Nominations. In addition to Nominating Committee Nominations, Members may nominate, through a petition, individuals to run for election for a Director position scheduled for election. Members make Member Petition nominations by delivering to the Nominating Committee at least fifteen (15) business days before the meeting of the Nominating Committee to set the Annual Meeting ballot a writing for each Member Petition

Nomination:

(1) listing, on each page of the Member Petition, the name of the Member Petition Nominee;

(2) indicating, on each page of the Member Petition, the Director position for which the Member Petition Nominee will run; and

(3) containing the printed names, addresses, and telephone numbers, and original dated signatures signed within sixty (60) days of the first signature, of at least thirty-five (35) nominating members.

After verifying that a Member Petition complies with this Bylaw, the Cooperative shall display the Petition Nomination in approximately the same location as the Committee Nominations.

(c) No Nominations from the Floor. Members may not nominate at, or from the floor of, a meeting an individual to run for election to a Director position scheduled for election at the meeting, due to the lack of proper notice to the membership.

(d) Notice of Director Nominations. At least ten (10) days before a meeting at which Members are scheduled to elect Directors, the Cooperative shall notify Members of the:

(1) Director positions scheduled for election by Members;

(2) names and corresponding Director positions of all Committee Nominations; and

(3) names and corresponding Director positions of all Petition Nominations.

Section 4.5 Director Elections. At each meeting at which a Director position is scheduled for election by Members, Members shall elect the Director from the Committee Nominations or Petition Nominations by a majority of votes cast by Members with a quorum present in person. Members may not vote for write-in candidates. As determined by the individual presiding at the meeting, the number of votes received by each nominee will or will not be announced. The candidate receiving the plurality of votes shall be the winner of the election. In cases of a tie, the winner shall be decided by lot, pursuant to a method determined by the presiding officer.

If only one individual is nominated to run for election for a Director position scheduled for election by Members at the Meeting, then the individual presiding at the Meeting may announce that the nominated individual is elected by acclamation and no vote is required.

Section 4.6 Director Terms. Except as otherwise provided in these Bylaws, a Director's term is three (3) years or until a successor Director is elected or appointed and takes office. A Director's term begins: (1) after the individual consents to being elected or appointed as a Director; and (2) immediately after adjournment of the Meeting at which the Director is elected, or at the beginning of the first Board meeting held after the Director is appointed. A Director's term ends after: (1) a successor Director consents to being elected as a Director; and (2) immediately after adjournment of the meeting at which a successor Director is elected, or at the beginning of the first Board meeting held after a successor Director is appointed.

The Cooperative shall stagger Director terms by dividing the total number of authorized Directors into groups of approximately equal number. Members must annually elect Directors. Subject to a Director's consent, decreasing the number of Directors or length of Director terms may not shorten an incumbent Director's term.

Section 4.7 Director Resignation. A Director may resign at any time. To resign, a Director must sign and deliver a Notice of Resignation to the Board, Board Chairman or Secretary. Except as a later date is otherwise provided in a Notice of Resignation, a Director's Resignation is effective when the Board, Board Chairman or Secretary receives the Notice of Resignation. If a Director's Resignation is effective at a later date, and if the successor Director does not take office until the effective date of the Director's Resignation, then the pending Director vacancy may be filled before the effective date of the Director's Resignation.

Winter Weather Safety

ICE STORMS ARE AN INEVITABLE PART OF WINTER. AND, UNFORTUNATELY, THEY CAN take a toll on our system and lead to downed power lines and outages. Remember the following tips to stay safe and warm should you find yourself in the dark after a severe winter event:

Never touch a fallen power line and always assume all wires on the ground are electrically charged. Call 911 and Taylor Electric Cooperative at (325) 793-8500 to report it immediately. Avoid contact with overhead lines during cleanup and other activities.

In the event of an outage, if you use an alternate heating source—such as a fireplace, propane space heater or wood stove—use extreme caution. Ensure proper ventilation and never leave heaters or fires unattended.

Make sure carbon monoxide detectors and smoke detectors are working properly.

Do not use a gas-powered oven for heating. A gas oven may go out or burn inefficiently, leading to carbon monoxide poisoning.

Do not use a gas or charcoal grill inside the home and don't use charcoal briquettes in the fireplace.

If you use a portable generator, keep it outside your house for proper ventilation. Do not use a generator in an attached garage. Follow the manufacturer's directions for operating the generator.
