

Tree Trimming and ROW Groundman

Posted: April 3, 2025 | Deadline: **Friday, April 18 5:00 PM (CST)**

Job Type: Full-Time | FLSA Type: Non-Exempt/Hourly

***** Please note before applying: This job is in Merkel, Texas. Relocation assistance is not available *****

Position Summary

A successful Tree Trimming and ROW Groundman is a strong team-player willing and able to take direction from peers and superiors. This position requires a hard-working person, who can assist a crew to ensure proper tree trimming and maintenance of right-of-way (ROW) areas. Safety is a top priority for this position; on-the-job training will be provided.

Work Hours/Conditions

- Typical work schedule is four (4) ten-hour days per week
- Majority of work takes place outdoors with exposure to adverse conditions such as extreme heat or cold, high winds, and stormy weather.

Education/Experience

- Must be able to meet or exceed the requirements outlined in the job description below.
- High school diploma or equivalent is required.

Certification/Requirements

- This is a dangerous occupation; extreme vigilance and attention to high safety standards is required.
- Must possess a current Texas driver license and maintain an insurable driving record.
- Must have or be able to obtain a CDL.
- Must be able to complete and pass CPR and First Aid training.
- Must have physical stamina to lift heavy objects and work in extreme weather conditions.

Please see full job description below for further details.

Cooperative Overview

Taylor Electric Cooperative is an equal opportunity employer and drug-free workplace that has been in existence since 1939. The Cooperative serves the Big Country area with a strong business acumen, commitment to the community, and, above all, dedication to serving the membership.
